

BLANCHE BOILER FUND NAME & WORKS PLATE OFFER

BLANCHE is out of service and needs a new boiler. She is needed back in service for the 2005 season as Mountaineers boiler certificate expires then and the FR needs any two from Mountaineer, Linda & Blanche in service each season

BOILER ORDERED
A new boiler has been ordered from Bartlett Engineering for delivery in June 2004.

Cost is £36,400 + VAT

With the boiler to pay for and then fitting it to the engine we are faced with raising around £40,000

NAME & WORKS PLATES

To raise money we are offering to reward donations to the boiler fund with copies of Blanche's name and works plates. These will be cast using the originals a patterns and for added authenticity we will use the Drivers side works plate which bears the scars of an argument with a solid part of Wales.

A UNIQUE OPPORTUNITY

This is a unique opportunity to get copies of these plates. They are not replicas but copies using the originals as patterns

These plates will only be available whilst the engine is being overhauled and only until the boiler has been paid for.

They will not be offered again
